

OAMP Fall Meeting September 21, 2019

This year's fall meeting will take place on Saturday September 21, 2019 and it will be a little different format than in past years. This year our fall event will take place at the Columbus Airport Marriott with our featured speaker being Judson Armentrout. Judson serves as the Coordinator-Case Ready Meat for The Kroger Company.

The meeting will get underway at 9 AM in the St Charles 1 room with presentations by Judson along with Greg Georgic of KKSG & Associates. We will then break for lunch at the hotel restaurant and conclude the day with the Board of Directors meeting. Each attendee will pay for their own lunch. .
